LEATHER COLOR SHADE DIFFERENCES

The model upholstered with some Natural leather such as Maya, Emotion, Carees and Sensation, could present in some area differences in color tones of about 5%. Such differences are not to be considered defect but an expression of the natural characteristic of the cowhide.

Some versions may be equipped with hidden feet with a supporting structural function.

The company reserves the faculty to make changing of technical details and/or materials for quality product improving without prior communication.
